2006. Summer

I never  
get lost.  
I'm never  
at a loss.  
Everything  
goes just as  
I plan it.

A life free  
of setbacks or  
frustration.

Ever since  
I was little,  
I've been  
called a very  
steady and  
reliable person.

Since, because  
of that, I had the  
chance to meet  
such a wonderful  
Onee-sama...

Notiko!

I did miss  
out on my  
first-choice  
high school,  
but even that  
turned out OK  
in the end.

真夏の体温  
2006. 所瑛音.

It makes me almost giddy,

though it's not like it's the first time I've seen her outside of school.

Let's buy them together. Did you buy tickets?

Not yet.

Today we're taking a little trip together, to see a far-off Buddhist temple...

Thank goodness the weather is so beautiful...

Indeed, it's so nice!

is neatly dressed... and very cute...!

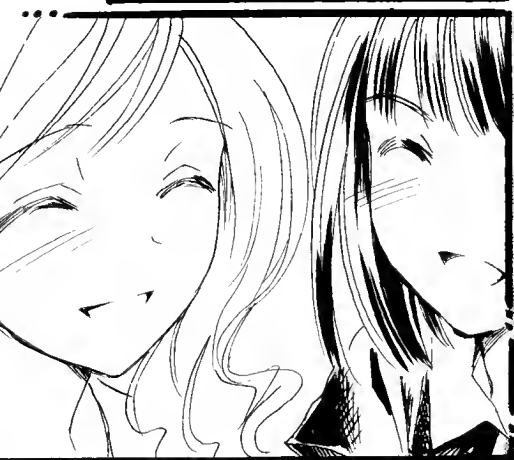

Ah, today AS WELL I mean, of course.

You're perfectly on time. As always, I came too early.

I'm sorry! Were you waiting long?

Gokigenyou.

Tea

Today, Shimako-san

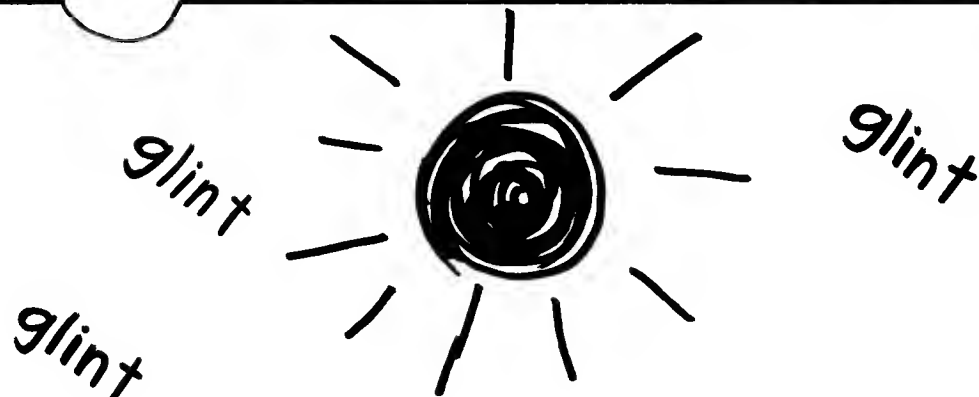

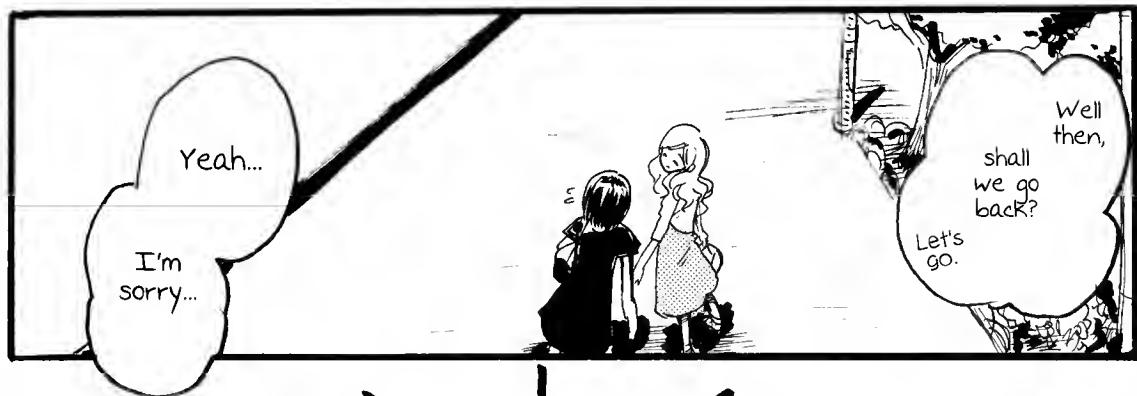

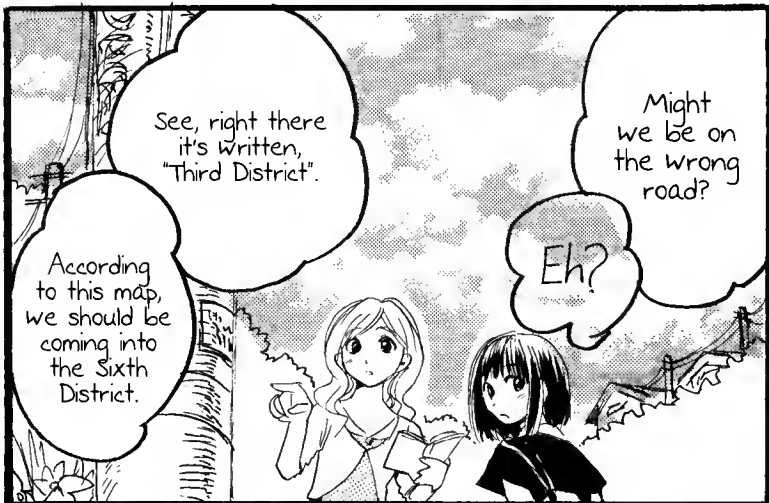

I have no doubt, this will be the best day ever...

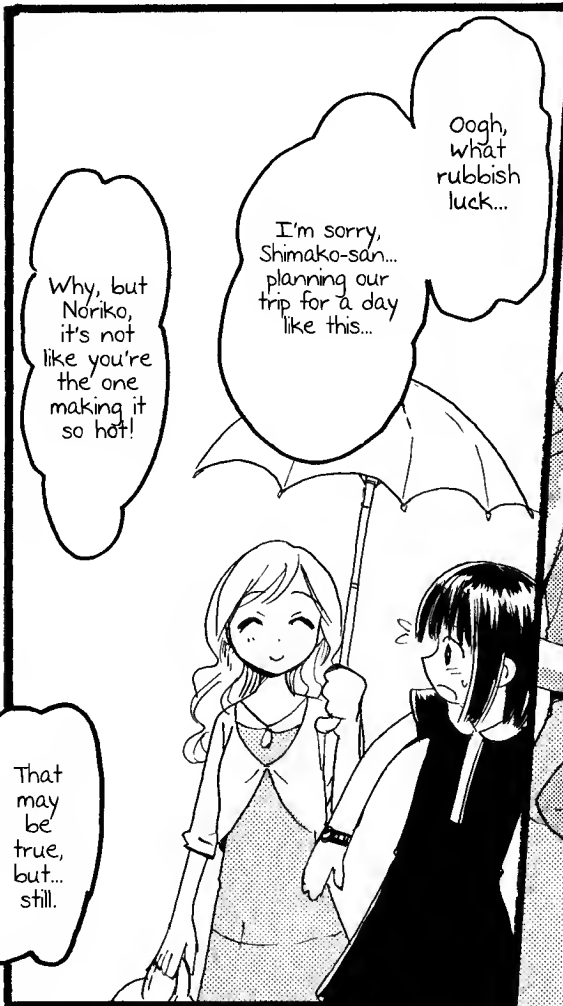

That's what I brought this for! Since they said it might get hotter out than our body temperature today.

HOT!

FWOOSH

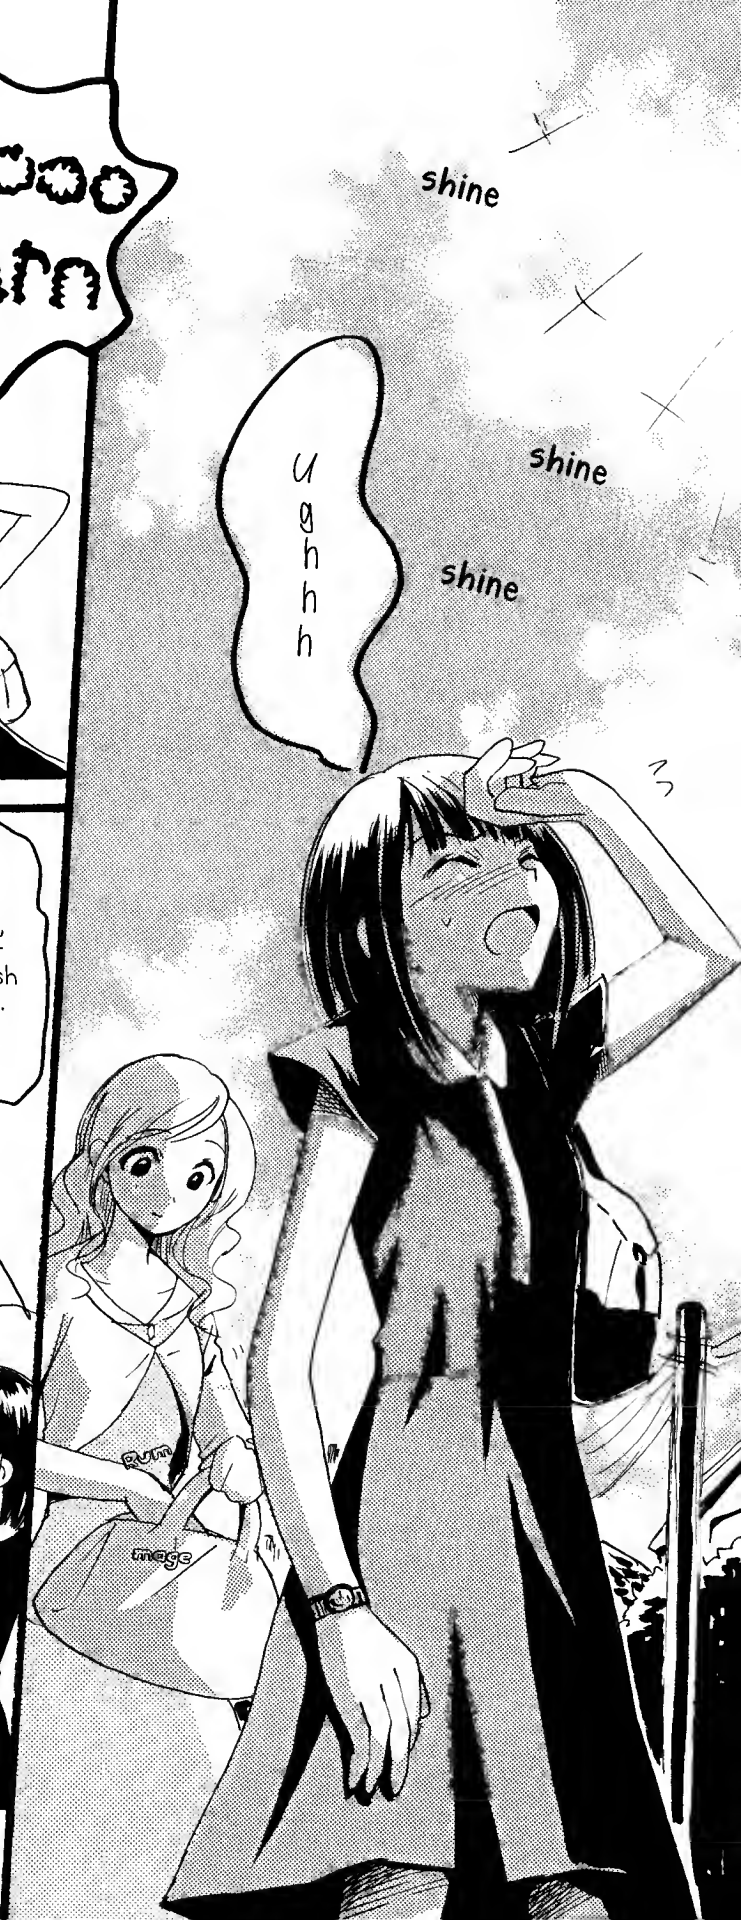

Why, but Noriko, it's not like you're the one making it so hot!

I'm sorry, Shimako-san... planning our trip for a day like this...

Oogh, what rubbish luck...

That may be true, but... still.

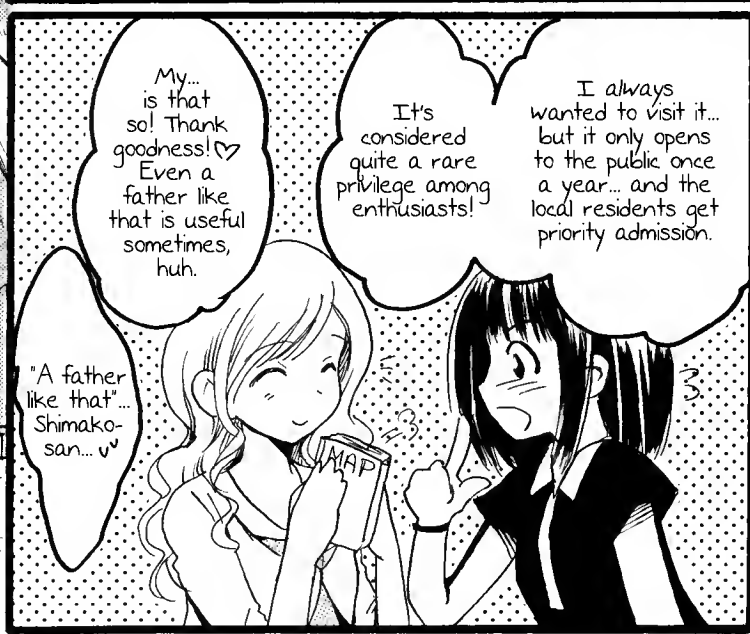

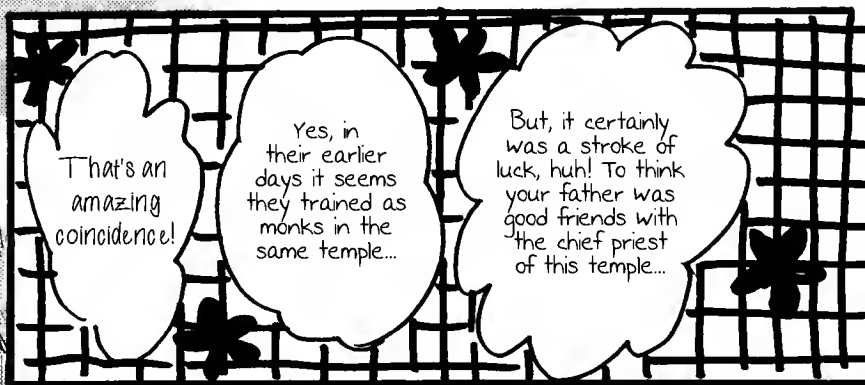

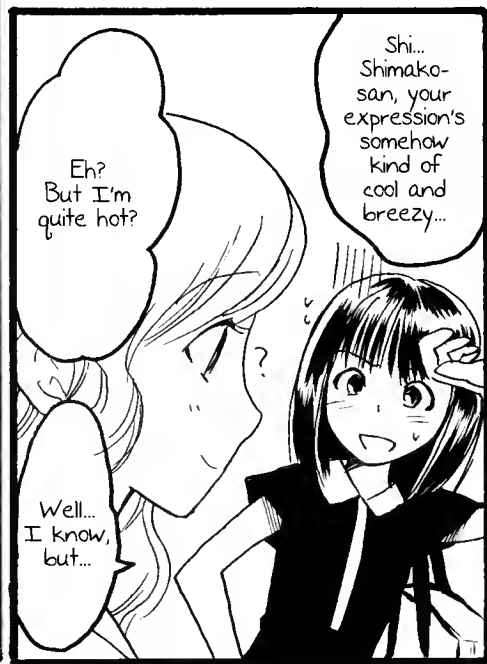

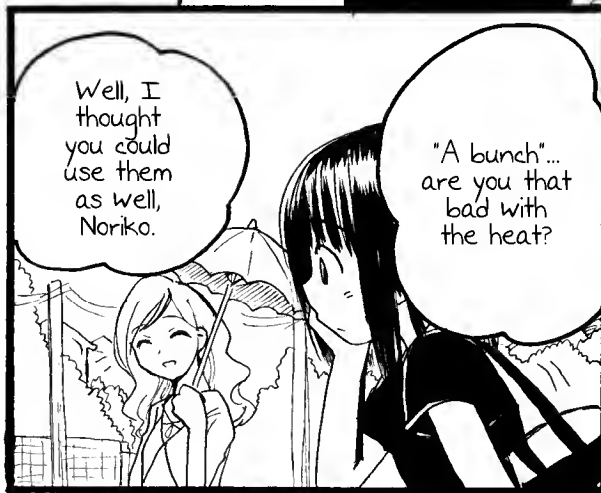

shine

shine

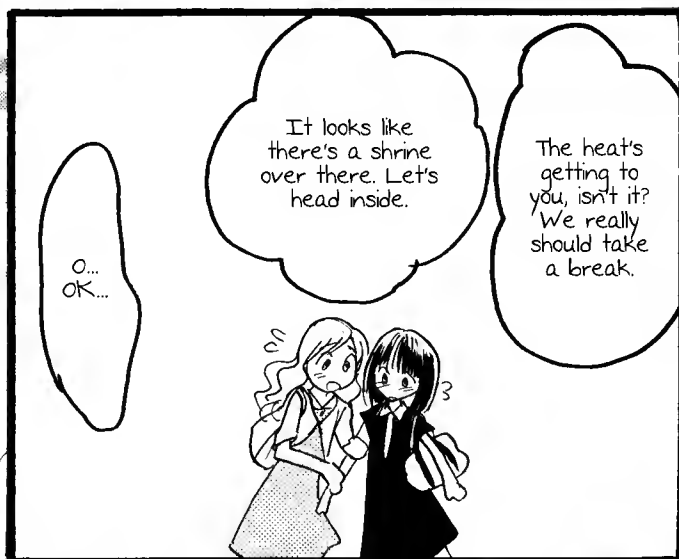

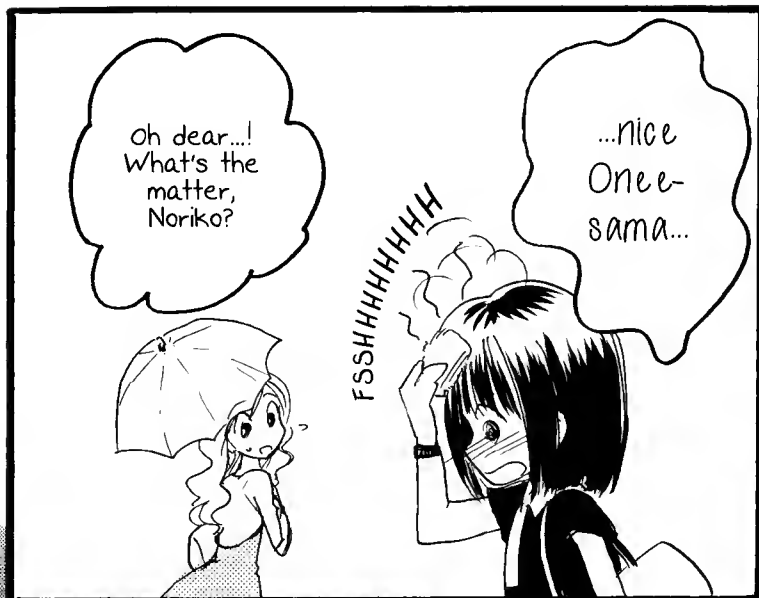

shine

Ughhh

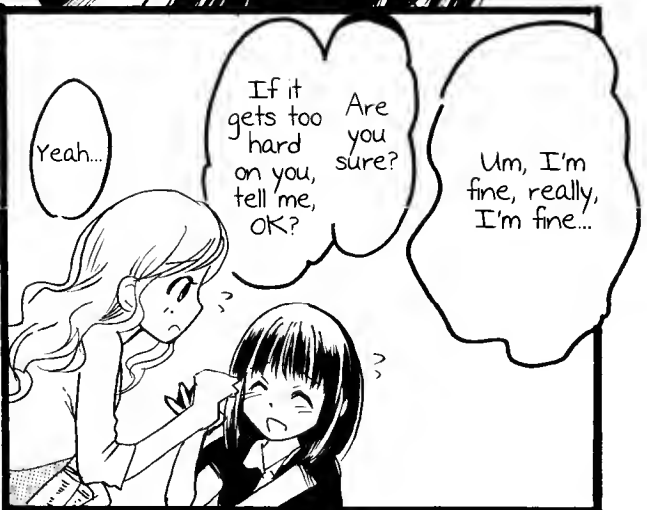

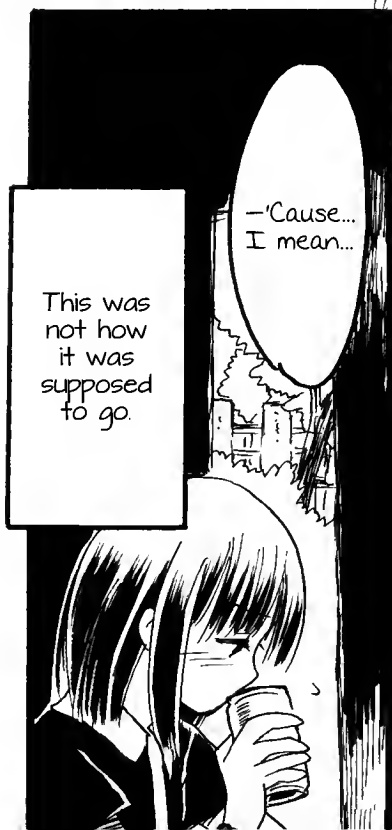

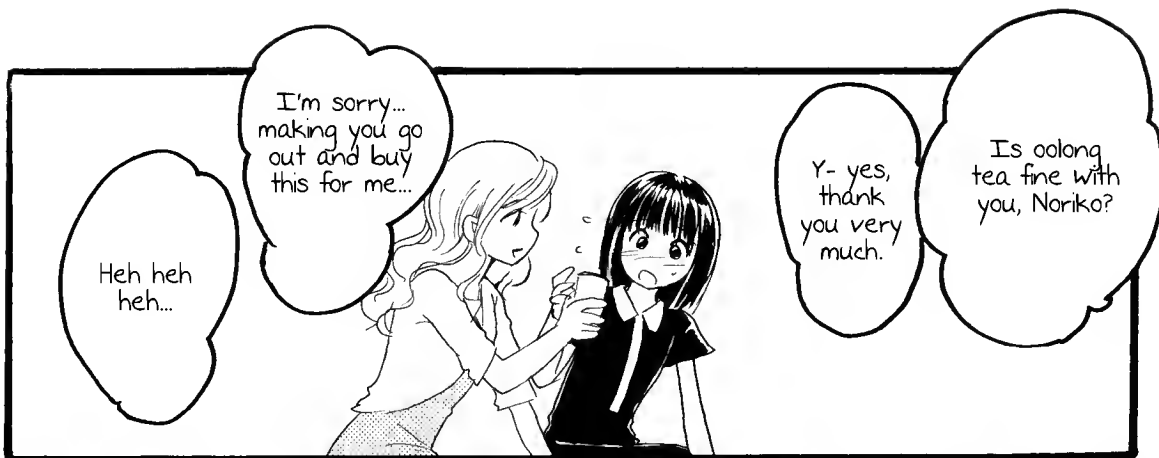

N- no  
no, this  
isn't... it's,  
um...

I'm sorry  
for not realizing...!  
I had no idea you  
were in such bad  
condition...

dash  
dash

That's not how  
I wanted it to  
be. I wanted to  
be an intelligent,  
sophisticated  
escort for her.

Taking us down the  
wrong road... getting  
done in by the heat...  
having her go buy me  
something to drink...

squeeze

...even  
though things  
have always  
gone just as  
I planned.

puff  
puff

murmur...

My first  
ever trip with  
Shimako-san. I  
was so giddy  
about it...

I never even  
considered the  
possibility of it  
not going well...

Heh  
heh...

Mm...

Look, Noriko.  
Cumulonimbus  
clouds.

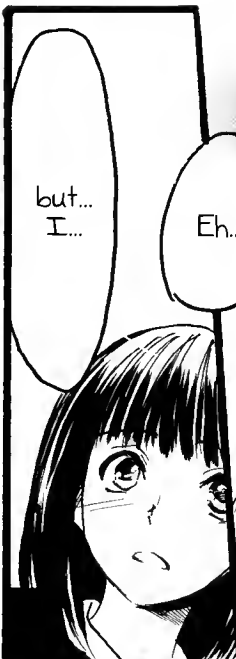

Is rain  
coming, I  
wonder?

You know,  
I really  
didn't want  
for it to be  
like this...

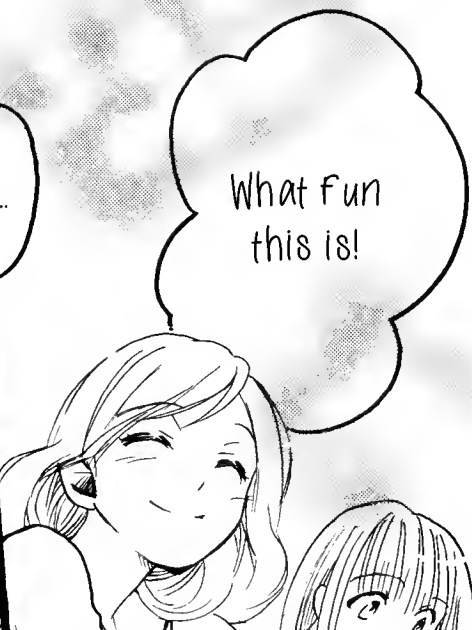

have done  
nothing but  
screw up  
today...

My!

but...  
I...

Eh...

What fun  
this is!

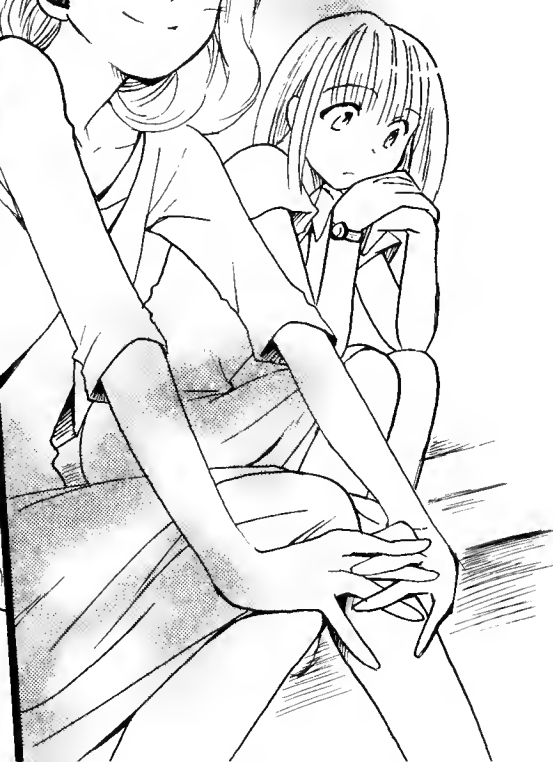

Eh??

Aha...

How silly  
you are,  
Noriko!

Were you  
worrying  
about a  
thing like  
that?

I did  
those  
things

Fussing  
too much  
over you...

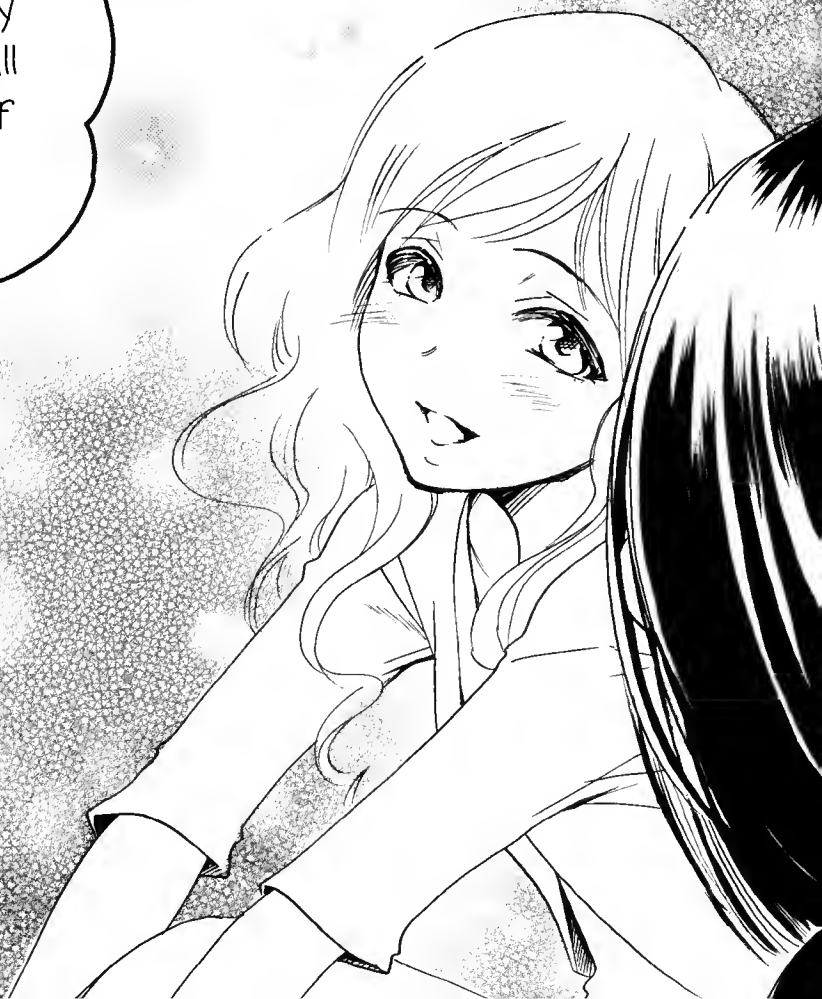

Getting  
our-  
selves  
lost...

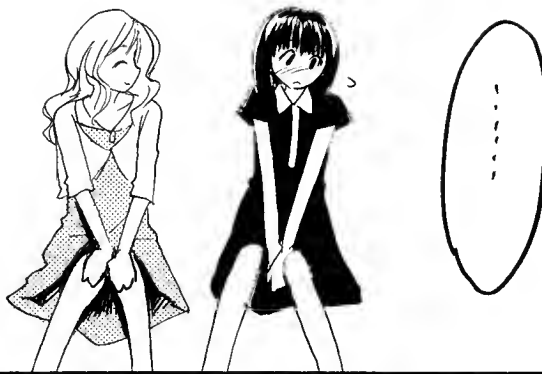

Missing  
the bus...

I really  
enjoyed it...

together  
with you,  
Noriko,

so they  
were all  
a lot of  
fun!

is so  
much  
fun—

If I can be  
together with  
Shimako-san,

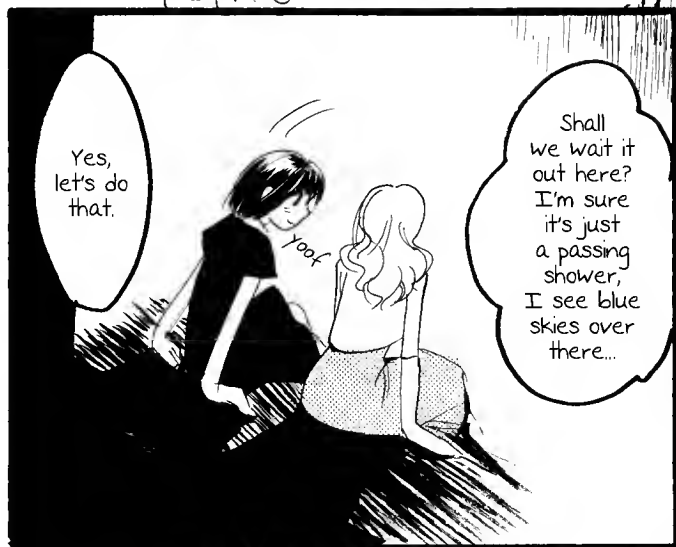

every-  
thing...

Because,  
for me...  
for me,  
too—

真夏の体温

Yes,  
let's do  
that.

yooof

Shall  
we wait it  
out here?  
I'm sure  
it's just  
a passing  
shower,  
I see blue  
skies over  
there...

yawn...

F s s s h

It's  
coming  
down like  
crazy.

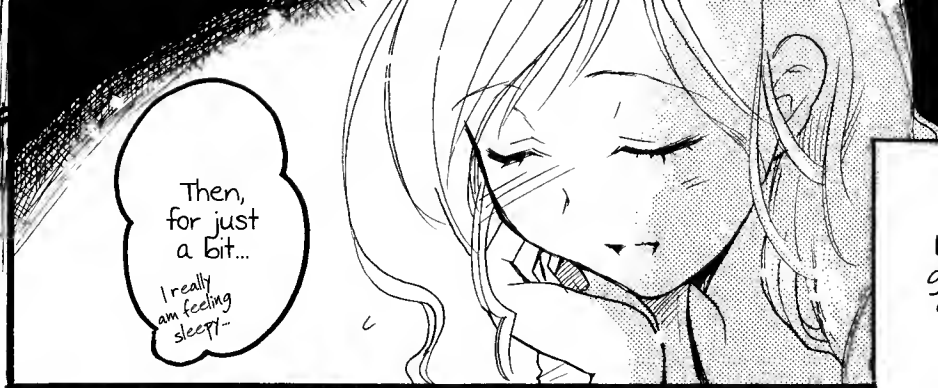

I have  
mine as well,  
but... they  
might not do  
much good  
in this.

What should  
we do? I at  
least have an  
umbrella, but...

h h

It's  
rain/sun  
dual-use.

Then,  
for just  
a bit...  
I really  
am feeling  
sleepy...

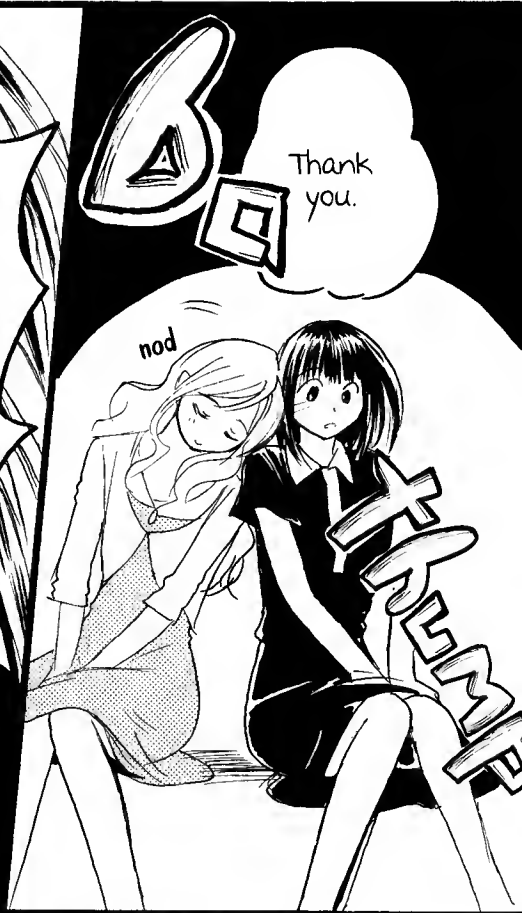

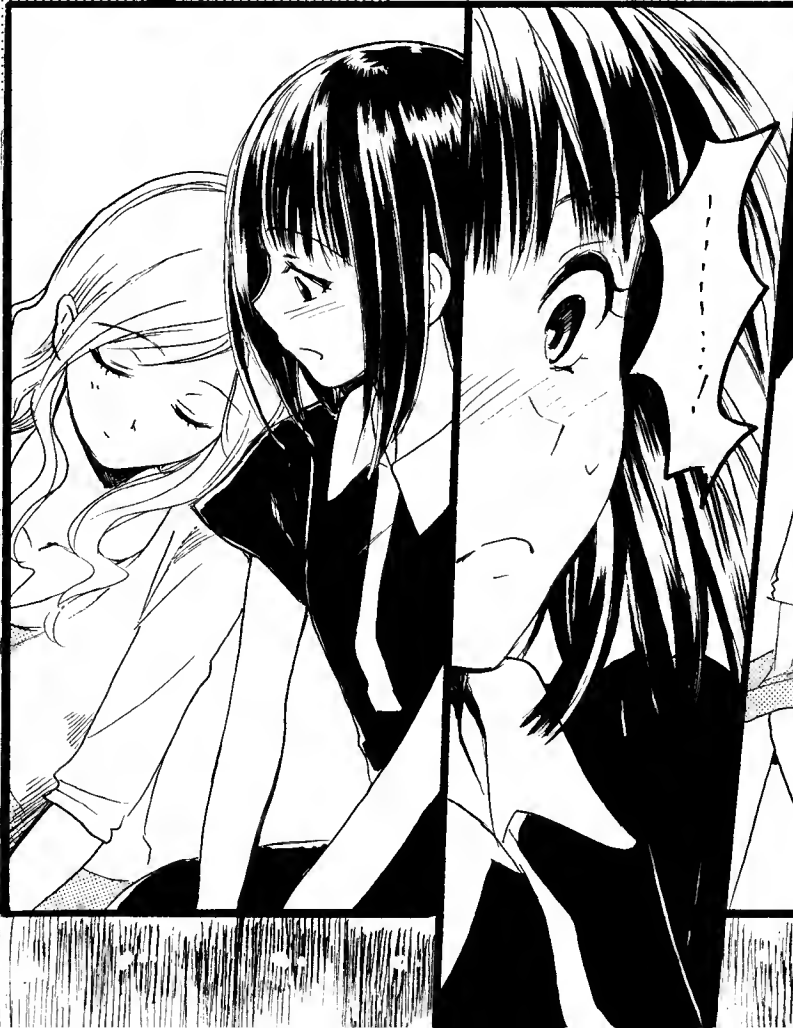

I'll start to  
get carried  
away with  
myself...

Mm...

use my  
shoulder if  
you like...

You  
can...

Thank  
you.

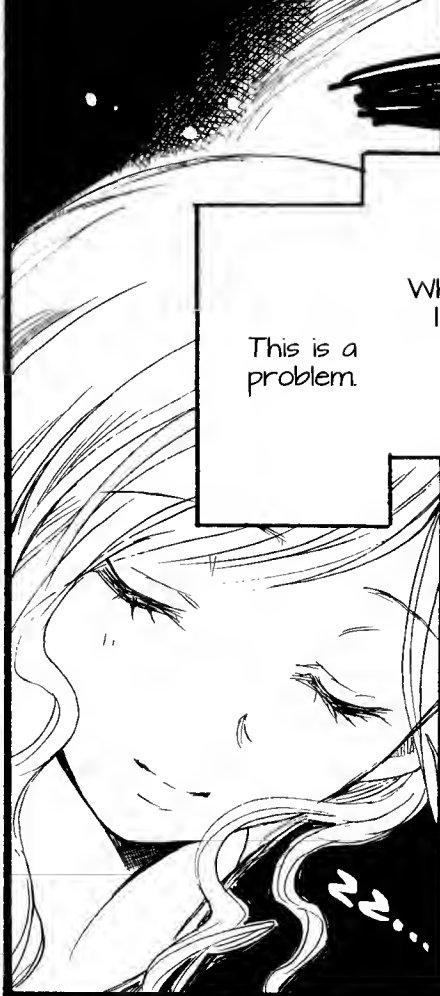

nod

Thank you

jump

This is  
really a  
problem...

This is a  
problem.

What do  
I do...

Fssh

I'm  
going  
to...

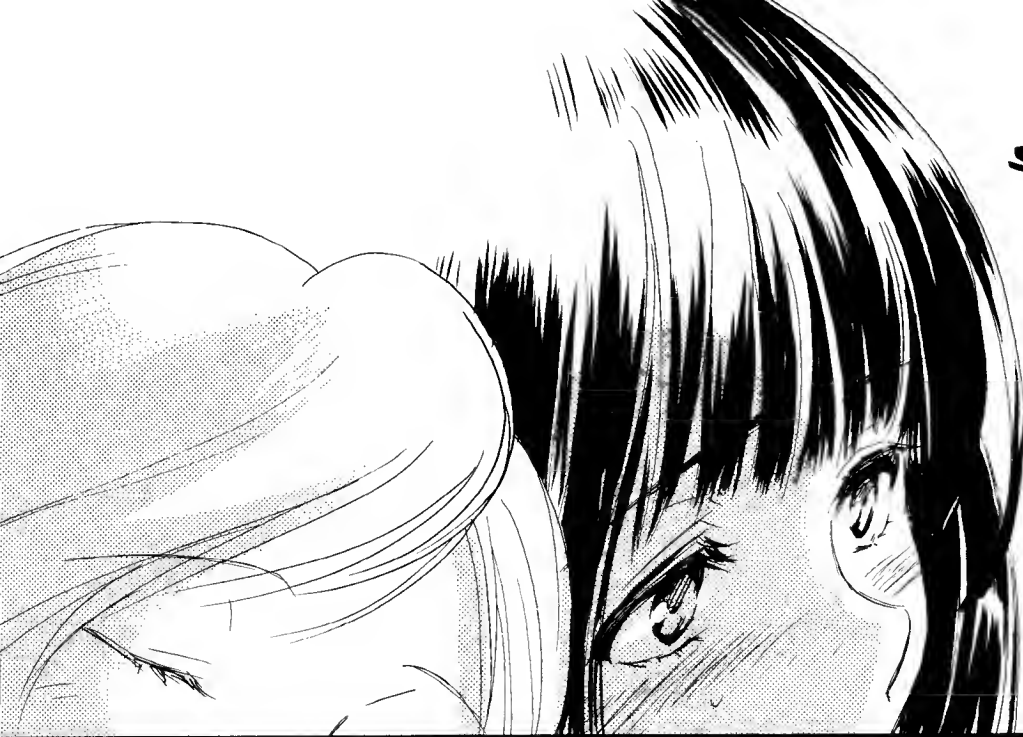

If you act so  
defenseless  
around me,

squeeze...

ba-thump...

Not at all  
like it was  
before,

ba-thump...

ba

Shimako-  
san's hand

is warm,  
and slightly  
moist...

So that...

THUMP

THUMP

When I think  
that this rain  
has to stop  
eventually,

I simply don't  
know what to do  
with myself——

# GREETINGS.

Good day!

Gokigenyou. This is Marine.

This is my first ShimaNori doujin!

Or is it NoriShima?

NoriShima, certainly. They are love.

As a couple, I believe they are the strongest in Marimite.

Because, they feel same way about each other. They are love.

I had badly wanted to write a book like this for the longest time, so I'm really glad it finally happened! Though, it wasn't easy for me, and in the end it wasn't very thought-provoking, but perhaps it's all right like this and makes it more fun to read. But how I now wish their flirts went further!!

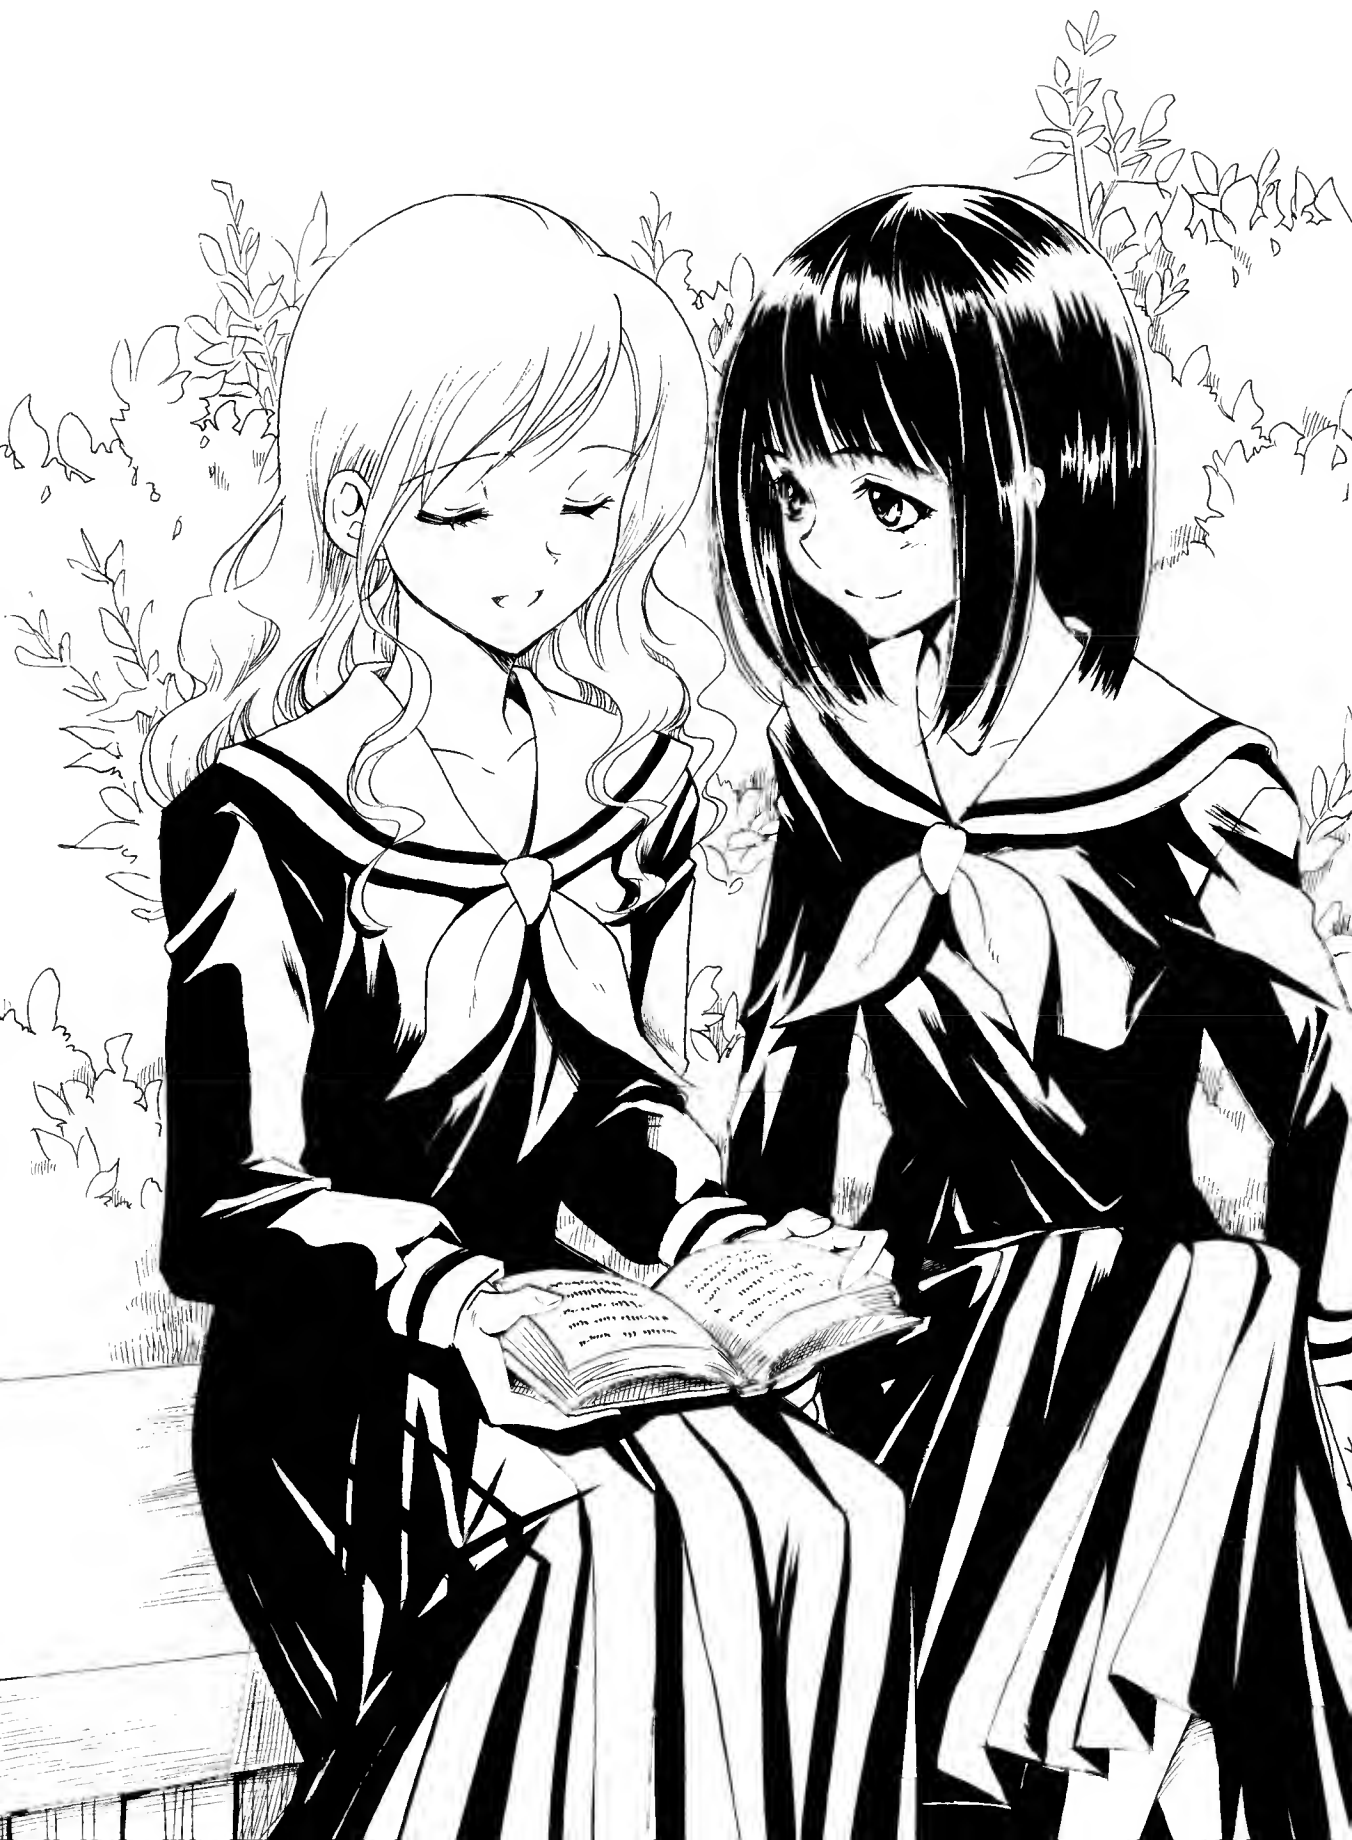

At first I was planning to have Noriko-san kiss Shimako-san. Ha ha ha. It seems this summer I lost several of my restraints. Yuri and bodily contact is now all good with me, so perhaps we'll see that in the next book. But girls liking girls is still tricky to write.

Next time I'll have to set my goals on intimacy higher. Or, why would that be a goal? I should just start drawing now.

**GRATITUDE.**  
Shio Musubi  
& Morism  
Thank you  
very much!  
**LOVE** ♥

Until next time.

We wanted to buy  
Buddhistic souvenirs,  
but they only had  
Miura Jun's masks. As  
you can see it's one  
that looks like a fool.

This summer I made paper fans. I am very happy about it!  
I don't have much money, so I could only make a hundred.  
I will give them away in the first hundred books.  
Or rather, I gave them away, since you already have the book  
in your hands. Well then, gokigenyou, everyone!  
Thank you very much! Until next time!
